1. The tenders will be opened in public at 3 p.m. on 12th July 1954. The work should be completed and handed over to the Department in tidy condition within the period noted and the monthly progress should not be less than the amount specified against each work, failing which penalty as per agreement or departmental rules in force at the time will be enforced.

2. The plan, detailed estimate and the conditions may be seen at the Offices of the Executive Engineer, Electrical Division, Tumkur, the Assistant Engineer, No. 2 Electrical Sub-Division, Hassan, or the Offices of Power and Lighting of this Department for works in their sections on all working days during the Office working hours.

3. Tenders are to be submitted in prescribed forms only which can be had from this Office on payment of Re. 0-4-0 per set of form for each work. The forms can also be had through post direct to intending tenderer provided the cost of forms plus postal charges, in case forms to be sent by post, is paid in cash and requisition be given well in advance. This office will not be responsible for delay or non-delivery of tender forms sent by post.

4. Each Tender must be accompanied by a deposit specified as earnest money. The earnest money has to be paid in cash at this office or any Power and Lighting Office of this Department and receipt enclosed to the tender. In case of tender deposit of over Rs. 500 Government Promissory Notes of the Government of Mysore or of Dominion of India at their face or present value or Savings Bank Deposits in Mysore Government Treasury duly pledged in favour to the Executive Engineer, Electrical Division, Tumkur, may be accepted by the Executive Engineer at his discretion.

5. No tender will be received without deposit and no adjustment can be made from the pending bills or the deposits of other works towards the tender deposit of this work.

6. The final acceptance of any tender will rest with the Executive Engineer, Electrical Division, Tumkur, who does not bind himself to accept the lowest or any tender or to assign any reasons whatever for the rejection of any tender, who also reserves the right to accept or reject any portion of the tender.

7. The name of the successful tenderer will be posted on the notice board of the offices referred to in Para 2 above in due course. No enquiries regarding the acceptance or rejection of tender will receive any reply.

8. Within 8 days of the award of the tender, the successful tenderer will be required to execute the usual contract bond in default of which his tender will be considered cancelled and his earnest money forfeited. The work should be started within a week from the date of acceptance.

9. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned either in this office or through the Assistant Engineer or any of the Power and Lighting Office of this Department on the tenderer submitting refund bill surrendering the original receipt granted.

10. The contractor has to make his own arrangements at his cost for water required for construction, quarries, supply and transport of materials. This department does not undertake to provide lorries or petrol coupons.

11. Specifications for Civil Engineering works are those recognized by the Public Works Department of Mysore and Marryot's Specifications (P. W. D. Handbook, Bombay) and B. S. S. or A. I. E. E. Specifications for Electrical works.

12. Only controlled articles like steel and cement, etc., will be supplied by the department at the nearest departmental stores at controlled rates plus incidental charges at 15 per cent or other percentage as per departmental rules in force at the time of issue of the materials.

13. Contractor himself should pay royalties, tolls, sales-tax and any other tax that may be prescribed by Government from time to time.

14. As per Mysore Government Notification No. O.M.F-L. 6091-2—G.F. 60-50-4, dated 21st October 1950, the contractor should furnish Income-Tax Clearance Certificate with the tender or before the execution of the agreement at the latest, failing which the tender or contract will be cancelled and the tender deposit forfeited.

15. The contractor should be bound by the conditions of the Schedule of Contract of the Electrical Department.

16. Payments of intermediate bills will be now made by the Chief Accounts Officer, with post-audit and payment of final bills only is subject to preaudit.

17. Tenderers have to pay compensation to the disabled workmen working under them for any injury or death caused during execution of their work failing which the amount will be deducted from the bills and paid to the injured or to the legal heirs of the decreased.

The final acceptance of any tender will rest with the Executive Engineer, Electrical Division, Tumkur, who does not bind himself to accept the lowest or any tender, or to assign any reasons whatever for the rejection of any tender, who also reserves the right to accept or reject any portion of the tender.

7. The name of the successful tenderer will be posted on the notice board of the offices referred to in Para 2 above in due course. No enquiries regarding the acceptance or rejection of tender will receive any reply.

8. Within 8 days of the award of the tender, the successful tenderer will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money forfeited. The work should be started within a week from the date of acceptance.

9. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned either in this office or through the Assistant Engineer or any of the Power and Lighting Offices of this Department on the tenderer submitting refund bill surrendering the original receipt granted.

10. The contractor has to make his own arrangements at his cost for water required for construction, quarries, supply and transport of materials. This department does not undertake to provide lorries or petrol coupons.

11. Specifications for Civil Engineering works are those recognized by the Public Works Department of Mysore and Marryot's Specifications (P. W. D. Handbook, Bombay) and B. S. S. or A. I. E. E. Specifications for Electrical Works.

12. Only controlled articles like steel and cement, etc., will be supplied by the Department at the nearest departmental stores at controlled rates *plus* incidental charges at 15 per cent or other percentage as per departmental rules in force at the time of issue of the materials.

13. Contractor himself should pay royalties, tolls, sales-tax and any other tax that may be prescribed by Government from time to time.

14. As per Mysore Government Notification No. O.M.F. 6091-2—G.F. 60-50-4, dated 21st October 1950, the contractor should furnish income-tax clearance certificate with the tender or before the execution of the agreement at the latest, failing which the tender or contract will be cancelled and the tender deposit forfeited.

15. The contractor should be bound by the conditions of the Schedule of Contract of the Electrical Department.

16. Payments of intermediate bills will be now made by the Chief Accounts Officer, with post-audit and payments of final bills only is subject to pre-audit.

17. Contractors have to pay compensation to the disabled workmen working under them if any injury or death caused during execution of the work, failing which the amount will be deducted from their bills and paid to the injured or to the legal heirs of the deceased.

1 Tenders in duplicate should be addressed to the Executive Engineer, Honnemaradu Survey Division, Jog, in a sealed cover. Prescribed tender forms are obtainable from the Executive Engineer, Honnemaradu Survey Division, Jog, on payment of four (Re. 0-4-0) annas per form with abstract of quantities.

2 Earnest money should be deposited in cash at the Division Office or at the Office of the Senior Operator, Hosanagar, Sagar, Shikaripur, Shimoga, Honnali, Nyamathi and Channagiri and the receipt for the amount remitted should be attached to the tender forms. Tenders without earnest money will not be accepted. No cheques will be accepted.

3 The drawings and estimates for the work will be made available in the Office of the Executive Engineer, Honnemaradu Survey Division, Jog, for information on any working day between 11 A.M. and 5 P.M.

4 Specific rates and units should be given for each item in the schedule accompanying each tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering percentage on the estimate amount will be rejected. No head will be taken of any application for any higher rates during execution of the work. The tenderer will have no right on any account to claim for revision of rates tendered for by him on the basis of fluctuations in the market rates or due to any other prevailing conditions during the course of the work. The successful tenderer shall be bound by the conditions of schedule of contract of the Electrical Department.

5 Items not provided for in the estimate will be calculated as per minimum scheduled rate or data worked out during execution of the work for non-scheduled rates.

6 There should not be any alterations or erasures in the tenders in the rates of items and any corrections in the forms should be attested to and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

7 The final acceptance of the tender will rest with the Chief Electrical Engineer to the Government of Mysore, Bangalore. He reserves the right to award the work to any tenderer and not necessarily to the lowest one. The successful contractor should bind himself to abide by the departmental rules in force and execute the agreement on receipt of information of acceptance of the tender.

8 The name of the successful tenderer will be pasted on the Notice Board in the Office of the Executive Engineer, Honnemaradu Survey Division, Jog, in due course within eight days of the acceptance of the tender. The successful tenderer will be required to execute an agreement in the departmental schedule contract form for the due fulfilment of the contract and for the execution of all items of the work in accordance with the specification.

9 Failure to comply with the conditions or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

10 The earnest money of the rejected tenderers will be returned on submission of the receipt originally granted along with an application to the Executive Engineer, Honnemaradu Survey Division, Jog.

11 When once the rates tendered have been accepted they will not be revised under any circumstances. In regard to item of work not tendered the rates for the same will be calculated by the Executive Engineer, on the basis of the current rates of materials and labour with a contractor's profit of 10 per cent as may be approved by the Chief Electrical Engineer, or as per schedule rates. This shall be final and legally binding on the tenderer.

12 The quantities given in the schedule are only approximate and the drawings shown to the contractors are only tentative and are liable to alterations, omissions, deductions or additions at the discretion of the Executive Engineer, or his representative. The tendered rates will hold good for any quantity whether higher or lower than those given in the enclosed schedule.

13 No claims of damages for delays caused by Officers of the Department in the execution of the works will be considered whatever may be the reasons for such delays. The contractor should bear this in mind when tendering for the work. Extension of time due to delay caused by the departmental officers will, however, be considered on the merit of each case.

14 No conditional clause will be accepted.

15 Sales-tax, royalty, etc., will have to be paid by the contractor.

16 The centage charges will be 15 per cent for the materials to be supplied departmentally.

17 Such of the materials available in the stores should be purchased by the contractor in the Electrical Stores on payment of cash.

18 The contractor should make his own arrangements for transport of materials, water supply, etc. No lorries will be supplied by the Department.

19 Sales-tax clearance certificate will have to be produced along with the tender.

20 The mode of payment for the work done will be as per Post-Audit rules, recently sanctioned for the Electrical Department. Details can be had at the office of the undersigned.
